CIRCULAR

Sub: - GST Act – Accounting and remittance of GST on Pole Rent collection-detailed direction – reg.

Ref: - B.O (FTD) No. 2251/2017 (D (D&IT)/D5/Asianet-2/2011) dated 31/08/2017.

As per the BO referred above, KSEBL is collecting pole rent quarterly, in advance. Cable TV Operators have to remit the pole rent due for the financial year in four quarterly advance instalments, i.e., ½ of total pole rent due in every quarter.

KSEBL shall raise a demand notice against the Cable TV Operators, during March, directing them to remit the pole rent, including additional security deposit, if any, before the due dates. For delay in collection, interest @ 18% (@12%, for delay less than 30 days) is being levied.

Presently, though ARUs were raising demand notice for pole rents on the Cable TV Operators during March of previous financial year, the same was accounted only on receipt basis, i.e., at the time of receipt of payment.

Clarification on the impact of GST on the pole rent, i.e., whether the Invoice to be raised and GST remitted at the time of demand, or at the time of due date, or after collection of the same from the Cable TV operators is seen sought for from various offices.

As per the provisions of GST Act –

- i. In respect of advance receipt of pole rent before the due date, KSEBL has to issue receipt voucher /GST Invoice containing the prescribed details.
- ii. On the due dates, i.e., on 1st April, 1st July, 1st October and 1st January of every financial year, Invoice has to be raised and accounted, for the balance amount receivable, whether or not the amount is remitted by the party.

1

Based on the above provisions, in order to introduce accrual basis accounting for pole rent income for more efficient presentation of Financial Statements and reducing future litigations in respect of GST, detailed course of action to be undertaken by ARUs in respect of accounting and collection of pole rent is detailed below:

- 1. During the month of March of every year, ARUs have to issue Proforma Invoice to Cable TV Operators, demanding the pole rent for the next Financial Year, to be paid in 4 equal quarterly instalments, in advance. Separate demand shall be raised for additional security deposit, if any. No accounting is required at the time of raising Proforma Invoice.
- 2. For advance receipt of 1st instalment of pole rent due on 1st April, on or before 31st March, ARU has to issue a GST Invoice to the consumer. No GST Invoice is required for collection of SD/additional SD from Cable TV Operators.

The following Journal Entry need to be passed for accounting the receipt of pole rent in advance:

24.110	Cash on Hand Dr	Receipt in cash, DD, Cheque, etc
	OR	
24.3XX	Collecting Bank A/c Dr	Receipt through online transfer
27.425	Income Tax Deducted at Source – Other Receipts Dr	Tax Deducted by Cable TV operators, if any, from pole rent
To 46.956	SGST Collection	SGST @ 9%
To 46.955	CGST Collection	CGST @ 9%
To 62.908	Maintenance charges for poles from Cable TV Operators	Pole Rent

Details of Pole Rent (incl. GST) collected in March, has to be reported to Corporate Office (Tax Cell) in the monthly report for March, in the format already forwarded.

3. Being advance income in nature, the amount received as advance pole rent is to be transferred to "Pole Rent Advance Account" by passing the following Journal Entry at the time of preparation of monthly accounts of March –

	trom Cable IV (Inerators I)r	pole rent received in advance in current FY in
To 46.908	Pole Rent Advance	respect of the next FY

- 4. The above entry is to be reversed on 1st April of next financial year.
- 5. Security Deposit/Additional Security deposit shall be accounted at the time of receipt only.

The following Journal Entry need to be passed for accounting the receipt of security deposit/additional security deposit:

24.110	Cash on Hand Dr	Receipt in cash, DD, Cheque, etc
	OR	
24.3XX	Collecting Bank A/c Dr	Receipt through online transfer
To 46.121	Security Deposit in Cash–O&M	SD / Additional SD

- 6. For advances received in respect of other quarters, Invoice has to be issued and accounted at the time of receipt itself.
- 7. ARUs have to issue Invoice in the prescribed format on the first working day of April, July, October and January of every financial year, in respect of Pole Rent due/balance receivable for the respective quarter.

The following Journal Entry may be passed for accounting the Invoice for pole rent –

28.118 Sundry Receivables – Pole Rent Dr		Total due incl. GST
To 62.908	Maintenance charges for poles from Cable TV Operators	Pole rent
To 46.955	CGST collection	CGST @ 9%
To 46.956	SGST Collection	SGST @ 9%

Details of Pole Rent and GST accounted during the month, has to be reported to Corporate Office (Tax Cell) in the monthly report for relevant month, in the format already forwarded.

8. At the time of actual collection, interest need to be computed on Pole Rent and SD including GST amount for any delay in payment. KSEBL has to issue Invoice for the

Interest portion along with GST at the then prevailing GST Rate (presently, 18%) on Interest.

The following Journal Entry may be passed for accounting of interest/penalty due on late payment of pole rent and collection thereof

Interest due on late payment

28.118 Sundry Receivables – Pole Rent Dr		Total due incl. GST
To 62.968	Interest/penalty on Pole Rent & SD	Interest/penalty calculated
To 46.955	CGST collection	CGST @ 9% on interest/penalty
To 46.956	SGST Collection	SGST @ 9% on interest/penalty

For collection of dues

24.110	Cash on Hand Dr	Receipt in cash, DD, Cheque, etc
	OR	
24.3XX	Collecting Bank A/c Dr	Receipt through online transfer
27.425	Income Tax Deducted at Source – Other Receipts Dr	
To 28.118	Sundry Receivables - Pole Rent	

9. Where the Pole Rent has been increased due to any reason at a later date, fresh Invoice has to be raised for the difference amount and GST thereon at the time of demand and the same is to be reported to Corporate Office in the relevant month.

Journal Entry as per Sl. No. (7) has to be passed for accounting the same.

10. After raising Invoice for pole rent, where due to any reason, the pole rent become uncollectible or revised downwards, Credit Note in respect of the un-collectible portion may be issued, at the time of sanctioning the reversal/write off/downward revision, referring to the Invoice already issued.

As the GST on pole rent is already remitted at the time of raising Invoice and we will not be able to take credit of the same, after September following the end of the financial year in which such Invoice was issued or the date of furnishing of the relevant annual return, whichever is earlier, ARUs have to ensure that Credit Notes, if any, are issued before that date.

The following Journal Entry may be passed for accounting Credit Note –

62.908	Maintenance charges for poles from Cable TV Operators Dr	Pole rent reversed/ waived/written of
46.955	CGST Collection Dr	CGST @ 9%
46.956	SGST Collection Dr	SGST @ 9%
To 28.118	Sundry Receivables - Pole Rent	Amount reversed/ waived/written of

11. As already stated, ARUs were following cash system for accounting pole rent income. In order to shift to accrual basis accounting, before finalizing the accounts for FY2017-18, all ARUs have to assess the total dues from Cable TV Operators for period up to Financial Year ending 31/03/2018, along with Interest due up to 31/03/2018, and account the same along with GST thereof in March 2018 itself. Invoice in prescribed format has to be raised on the consumers, and the same is to be reported in the monthly report for March 2018, in the format already forwarded.

The following Journal Entry may be passed for accounting the above, in March 2018-

28.118	Sundry Receivables – Pole Rent Dr	Total due incl. GST
To 62.908	Maintenance charges for poles from Cable TV Operators	Pole rent
To 62.968	Interest/penalty on Pole Rent & SD	
To 46.955	CGST collection	CGST @ 9%
To 46.956	SGST Collection	SGST @ 9%

12. Chief Engineer (IT & CR) shall take immediate steps to make necessary modification in SARAS Software for capturing the above transactions.

The above procedures are required for efficient presentation of Financial Statements, compliance of accounting rules and to reduce the chances of future litigations in collection and remittance of GST.

Illustrations for the accounting of pole rent Invoicing and collection thereof is given as Annexure to this Circular.
