### **ORDER**

The OTS-2025 scheme is implemented in KSEBL as per B. O.s read as 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> above with intimation to KSERC from 01.05.2025 to 31.08.2025. As per the above scheme, consumers with arrears for more than two years are granted reduced interest rates for favour of settlement.

The scheme is open for arrears coming under the head of electricity charges, arrears accumulated as part of pole rental of Cable TV operators, the bills issued under

Section 126 and 127 and Section 135 of Electricity Act 2003 and arrears in the transmission development charges demanded.

As per the B.O. read as 5<sup>th</sup> paper above, OTS- 2025 is valid upto 31.08.2025.

The Director (Distribution &SCM) as per letter read as 6<sup>th</sup> paper above, has pointed out that due to transfers and postings of Deputy Chief Engineers of Electrical Circles, who have crucial roles to play in the initiative in the past few months, several expressions of willingness to settle stands incomplete, as of now. The Chief Engineers and Deputy Chief Engineers who took part in the SBU level review meeting on 27.08.2025 requested extension of the scheme, so as to enable further settlement. Hence, the Chief Engineer (Commercial & Tariff) has requested as per note read as 7<sup>th</sup> above to extended for one more month from 01.09.2025 for having an effective implementation, without any change in the criteria. The revised time schedule of OTS – 2025 is suggested as follows:

30.09.2025 - Last date of accepting application form

30.09.2025 - Last date to issue of demand notice and remittance of first instalment by the consumer

The Director (Finance) on considering (i) the request of the Director (Distribution) and the Deputy Chief Engineer in the review meeting held on 27.08.2025, (ii) the remarks of LA&DEO dated in O.T.S. File No. 23/2022/2204, (iii) the fact that OTS period for section 135 cases has already been extended up to 30.09.2025 and (iv) the likelihood of more applicant pursuant to the Hon'ble High Court Judgment dated 27.09.2025, has recommended placing the proposal for a further one month extension before FTD for approval.

Accordingly, the matter was placed before the Full Time Directors as per note read as 7<sup>th</sup> above.

Having examined the matter in detail, meeting of Full Time Directors held on 10.09.2025 resolved to extend the approved OTS- 2025 scheme for one more month, ie. till 30.09.2025 with the following revised time schedule:

30.09.2025 - Last date of accepting application form.

30.09.2025 - Last date to issue of demand notice and remittance of first instalment by the consumer.

Orders are issued accordingly.
